Dr. Harold G. Wolff
The New York Hospital
525 East Sixty-eighth Street
New York 21, New York

Dear Harold:

Many thanks for your kind letter of
June 16 about Foster. It was good of you to
write.

I shall probably be getting in touch
with you soon as we have a few problems to con-
sider in connection with Allen, who has been
having his ups and downs these last few weeks.

Sincerely,

SIGNER
